No more hassle! You no longer need to process orders or handle money. Swimmers can place their orders directly online, choosing from a list of products that you will have previously selected. The orders will be shipped pre-packaged and identified; your only task will be to hand them out.

## HOW DOES IT WORK?

## COUNTLESS ADVANTAGES!

- A personalized interface
- A vast array of products
- Online purchases available 24/7
- Preparation and shipping of orders by Aquam directly to your training location
- Credit card prepayed orders via secured website
- An excellent source of revenue for the Team
- May be combined with your sponsorship agreements (Speedo, Arena or Aqua Sphere)
- **No annual fees**

## AN EXCELLENT SOURCE OF FINANCING

For the team, the rebate represents a source of funding that can be reinvested in its operations. Each team sets the reward percentage they wish to earn on every purchase; therefore, the club receives a profit on each purchase made through the website. The reward percentage can be set at 5% or 10%. Rebates will be paid out annually by Aquam to the club, based on the total accumulated during that time period.

## AN EXAMPLE

Club Price	Online Price	Profit
\$40	\$42	\$2

A swimsuit that would cost the club \$40.00 may be sold on the online boutique for \$42.00. The \$2.00 profit, equivalent to a 5% reward, is returned to the club.
